SHRI ANANT RAM JAISWAL :

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) what are the names of price con trolled bulk drugs' under DPCO, 1987 whose cost study is still to be done by BICP ;

(b) what are the reasons for delay;

(c) what are the prices of bulk drugs on which present formulation prices are based ;

(d) whether it is a fact that the formulators have based their formulation prices at least two to three times the price at which bulk drag is available in the market;

(e) what are the names of producers of bulk drugs for which cost study is to be made ; and

(f)what are the names of bulk drugs whose cost study was done during last three years, the price fixed for each drug and at what price earlier prices of formulations were fixed *1*

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO) : (a), (b) and (e) Cost-cum-technical studies for 22 bulk drugs are yet to be completed by BICP. The list of these drugs, alongwith manufacturers, is as in the statement attached at Statement I *(See* below). BICP has reported that the main reason for delay in finalising the studies is non-cooperation from the manufacturers in submitting the requisite information.

(c) and (d) Pending detailed cost-cum-technieal studies of these bulk drugs by BICP, prices of some bulk drugs have been notified on the basis of available data and for some other bulk drugs, prices have been adopted on interim basis for fixing the prices of formulations of these bulk drugs.

(f) The prices fixed for different bulk drugs during the last three years on the basis of cost studies were notified in the official Gazette from time to time.
